Subject: ALS Training Program Status

As required by the signed ALS Education Agreement, I, _____
hereby attest to the following:

1. I am currently enrolled at my selected institution for ALS education.
2. I am a student in good standing, as outlined in the ALS Education Agreement.
3. I am current on all curriculum and have satisfactory grades.
4. I am current in all required lab, clinical and field requirements to date.
5. I agree to submit documentation to verify the authenticity of this statement, without delay, if requested by the Board of Directors.
6. I do not currently foresee any obstacle to my completion of the training program. If a situation arises which compromises my ability to succeed in the program, I agree to notify the Board of Directors immediately and to work with them to resolve the situation.

I attest to the facts as outlined above, and do so freely, without any mental reservation or purpose of evasion. I understand that if any of the items listed above are not true, then I should not sign this statement and will bring the issue to the attention of the Board of Directors as soon as possible. I understand that a false attestation statement constitutes fraud of the ALS Education Program, which will result in a breach of my agreement with BBVRS.
